Stainless Steel & Glass Balustrades

WHY BUY THE BEST? – QUALITY PRODUCTION

- **Rapid Installation – modular**
 - Up to 10 meters per day per team
- **Extremely low maintenance**
 - Excellent lifetime usage
- **Best Cost : Quality to Price ratio**
 - Quality graded products up to 20% less
- **Global design and project management**
 - The latest trends
- **Industrial production**
 - Automotive grade controls TS 16949
- **100% Recyclable products**
 - Low carbon impact to the environment

PRODUCT RANGE FOR 2020

HORIZONTAL LINE

- Frictionlok
- Swivel Junction system
- Access ramps
- Handrail

CUSTOM PRODUCTS

- Shoppings
- Flat bar derivatives
- Staircases

Patented
Technology

MODULAR

- Coverplates
- Knock ins
- Caps
- Elbows

VERTICAL LINE

- Round tube Vertical
- 360° Pivot systems

GLASS SYSTEMS

- Pressure Brackets
 - For 8mm
 - For 10-12mm
- Wall mount
- Butterfly Brackets
- Spigot System
- Glass Standoffs
 - 50,8mm
 - 60mm
 - 76,20mm
- Aluminium Profile System
